

# HOW TO ADD TRACT ID NUMBERS DIRECTLY ONTO PHOTOS (IPHONE VERSION)

## A Step by Step Guide

1

### After Taking Photos of Each Enrolled Tract

#### Select the Photo:

Open the Photos app and choose the photo you want to edit.

2

### Choose the Photo You Want to Add Text Onto

#### Edit the Photo:

Tap the "Edit" button located at the top right corner of the screen.

3

### Once "Editing" the Photo

#### Tap on the Markup Tool:

Once in edit mode, tap the three dots (⋮) located at the top right corner of the screen. Then, select "Markup" from the options that appear. Then, select "Text" from the toolbar that appears.

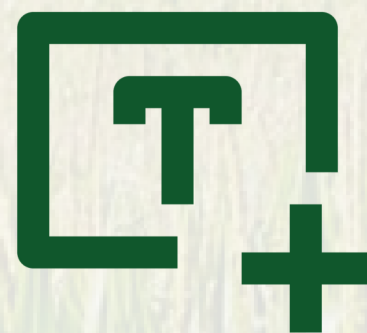

4

### Adding the Tract ID Onto the Picture

#### Add Text:

A text box will appear on the photo. Tap inside the text box to bring up the keyboard and type your tract ID number. You can resize and reposition the text box by dragging its corners or sides. Use the formatting options at the bottom of the screen to customize the text's font and color.

5

### Saving Your Edited Photo

#### Finish Editing and Send Photo:

Once finished, tap "Done" at the bottom right corner of the screen to save. After tapping "Done," tap "Done" again to save your edited photo. You can then choose to save it to your Photos library or share it with Grown Climate Smart via Messages or Mail.
